

Dear Hiring Manager,

I am writing to express my interest in the software developer position at your esteemed organization, as advertised. With 3 years of experience across various technologies such as React, Express, Salesforce Commerce Cloud, Magento, and Python, I am confident in my ability to contribute effectively to your team.

My educational background includes a Post Graduation Certification in Mobile Application Development from George Brown College, where I acquired expertise in web development, Android development, iOS development, cross-platform development, and mobile application strategy. Additionally, I hold a Bachelor of Mechanical Engineering from Fr. Conceicao Rodrigues Institute of Technology, Mumbai University.

In my most recent role as a Senior Software Engineer at Apexon in Mumbai, I spearheaded the development of a giftwrap feature within a tight timeframe, utilizing technologies such as JQuery, ISML, CSS, JSON, and Express.js. My proactive approach to learning allowed me to independently acquire VBA skills, leading to the automation of data transfers and a significant reduction in processing time. I also successfully led UI enhancements, addressed e-commerce bugs, and implemented RESTful APIs, showcasing my versatility across different aspects of software development.

As a Software Engineer at Apexon, I demonstrated my problem-solving skills by resolving e-commerce site issues, stabilizing site functionality, and integrating third-party RESTful APIs to optimize checkout processes. My ability to collaborate and share knowledge is evident through the development of technical documents and contributions to Confluence for knowledge sharing.

I am impressed by your organization's commitment to innovation and excellence, and I am eager to bring my technical skills, collaborative mindset, and dedication to meeting crucial deadlines to contribute to your dynamic team. I am confident that my experience aligns well with the requirements of the position, and I am excited about the opportunity to contribute to your ongoing success.

Thank you for considering my application. I look forward to the possibility of discussing how my skills and experiences can benefit your team.

Sincerely,

Noel Soans
226-883-2586
